To Whom It May Concern:

This letter is written to provide a recommendation for Randazzo Enterprises, Inc. I have had the pleasure of working with Randazzo Enterprises, Inc. as a General Contractor at the old San Jose State University Aviation Facility located in 1120 Coleman Ave, San Jose, CA, a 5 acre Campus Demolition project. The total demolition cost was \$440,000. Over the duration of this project, I have worked closely with Mr. Mark Randazzo, President of Randazzo Enterprises, Inc.

Mr. Randazzo was instrumental to success of the project; his contributions resulted in early completion of the project with minimal change orders. The project was completed within the budget. He was diligent in his work, the coordination of subcontractors and proactive resolution of site problems was excellent. The punchlist items were completed in timely manner.

During the project work, Mr. Randazzo used his talents in human relations and networking skills to communicate with Airport, Airport contractors and subcontractors.

He worked well with suppliers and SJSU and insured that the project resulted in minimal intrusions to the surrounding Airport users and ran the project smoothly. He conducted himself in a professional manner at all times and was a dedicated and conscientious team member. He clearly contributed to the success of the project.

I look forward to working with Mr. Randazzo and Randazzo Enterprises, Inc. in future projects. If you have any questions please call me at (408) 924-1934

Sincerely yours,
